To Whom it may concern. With all the improper misuse of the law, From the courthouse of Cooke County to Sheriff office to County Jail in Gainesville TX, I'm asking for a full scale investigation from a non-partial committee of cook county. The cook county Sheriff Doug task force Shane Norrie and County Jail officers Baker Sgt Booe and C. Keelane and others. I was informed by lady Judge that she personally issued my arrest warrant for me and my live in girlfriend Phyllis Elbell of 2 years. Which was hours after Shane Norrie and task force was already at my house. I never seen any arrest warrant for me or Phyllis Elbell arrest yet til this day still. They have my DVR for security system in evidence shows them at my residence with guns out hours before any arrest warrant was issued or search warrant. Cause for arrest was falsified. There was no marked money found on me or Phyllis Elbell. So case of missing \$100.00. Plus no drugs was turned over by any informant or found on me or Phyllis Elbell. Just found on Camper floor which makes arrest warrant inaccurate. Therefore illegal and makes search warrant illegal and illegal search and seizure and improperly done and therefore hold no merit to legally hold me or Phyllis Elbell in confinement. And without proper cause to wit: To use James Elbell an informant and paid informant of cook County sheriff office and soon be X

husband of My Girlfriend of 2 years Phyllis Isbell.
The illegal use and abuse of the law to
separate me and Phyllis Isbell by arrest and
confinement first. Decreed by US mail we
was approved to write each other by Sgt Booe
then after 3 months of corresponding was told
by Sgt Booe we could no longer write each other.
James Isbell also had knowledge of what
me and Phyllis Isbell was writing and talking about
James Isbell is not law enforcement and to be
favoritism by officer Shane Norrie and
County Jail officer and close friend
C. Keelame. makes it inappropriate and
not liked by stature of law to be
giving special treatment to James
Isbell by local law enforcement
and County Jail officers thank you

Sincerely Jeffrey Parks
